SAARI

S A A R I

True beauty comes from nature, balanced with craftsman touch and design from Urban style living. Modernity and tradition comes together inside a peace of furniture. Whether in town or the countryside SAARI blends in to any kind of room. SAARI extendable tables can be chosen between 2 main sizes and 2 optional widths with possibility to extend from both ends.

Combined with cabinets SAARI can be transferred in to Living room range with console, media and sofa tables.

Tables are with Split Top and Bark edge imitating bark of the oak wood logs. It is recommended to order stainless steel protections for legs wich has a nice optic and will protect your table from wearing and discoloration.

Solid Wild Oak tables with vivid expression. Solid wood furniture made from sustainable timber.

Assembled, no hassle. Just legs apart for safety.

Design - Craftmanship - Technology. Frame less tables with optional stainless steel feet supports.
