Simple and modern - that is ANTWERP. A combination of wood and metal with playful laquered details here and there. The way you style your ANTWERP furniture is all in your hands! You can give the collection extra charm by adding cassettes in your chosen colour or make it simple and ease, just leaving it as it is. Both ways are perfect to give your home a clean, modern and tasteful look.

The collection consists of a coffee table with or without drawers, media unit, sideboard, highboard and differend sized tables. Soft close and push to open mechanisms allow to not only enjoy the design of the furniture, but also the quality.
