VERMONT - meet the collection inspired by Green Mountains which tastefully marry metal and wood.

Modern design with traditional oak wood and industrial steel legs enhance the strong character of style that would never go out of fashion. Great feeling about the details - shaped handles, miter joints for cabinets, mix of texture and colors.

VERMONT offers a wealth of options to design your individual units for dining and living spaces. Cabinets match the Dining table and solves main dining room functions. Due to invitingly cosy wood structure as well as color combinations on this design - are instant eye-catchers. Chose to express your style by compliment or contrast of VERMONT collection furniture.
