

BELLAGIO

BELLAGIO

Bellagio is an exclusive collection with purely designed lines and an understated urban vibe. Contemporary and luxury style connects wood and metal. As a result, the outlook of furniture seems designed as a balm to the eyes and could be installed in many different styles of interior both for living and dining rooms.

Mix of oak and black metal brings all the forces of nature together with an overwhelming sense of vastness. Technical details such as push to open synchronic systems and fully soft close storage cabinets are designed for your comfort and sense of softness. Various tables design and possibility to choose from different sizes are optional for every unique taste and requirements.

Bellagio – perfection, beauty, elegance.
