# CALGARY

# C A L G A R Y

♦ CALGARY manages to tastefully marry metal and wood. Modern design with traditional solid wood and industrial steel legs enhance the strong character of the wood. The CALGARY look is simplicity and urban at the same time and certainly characterised by its outstanding craftsmanship. Cabinets match the Dining table and solves main dining room functions. Due to invitingly cosy wood structure as well as color combinations on this design - are instant eye-catchers.

♦ Tables are available in different sizes as well as there is option for a bench. It can be finished in 6 natural oil finishes that gives possibility to adop to most of the interiors that comes along with urban life style.
